

Grazing 101: Arkansas Grazing School

May 5-6, 2023 | 7:30 a.m.-6:00 p.m.
Quitman, Arkansas

Join us for a **FREE** two-day grazing school for beginners. You'll learn why and how to manage your grazing to improve:

- Soil health
- Water retention
- Pasture production
- Animal health and production
- Profits

Bring your farm maps and soils information for consultation, enjoy a mix of classroom and outdoor teaching, and meet other graziers for support and learning.

Hosted by Tony and LeVonna Uekman

Space is limited! Register now:
